

Dear Parents or Guardians,

Your child has enrolled in the Mass Media/Film Literature course at Castle High School. This course is an excellent way for students to learn many aspects about the film industry as well as about our culture and society. Castle High School requires parental permission for your child to view movies that are used in our curriculum which have been rated "R." While most of the films we will study are rated "PG-13," there might be an instance where a film is rated "R" due to mature language or violence.

We believe showing movies enables students to benefit from another medium as a resource in their study of current events and history. In addition, movies give students a well-rounded opportunity to discover the world because movies go beyond dry facts and help bring events "alive." Be assured that we will use proper discretion when showing these films. We feel that the content and themes in the films we will show are beneficial to the study of film as an art form.

Thank you for taking the time to read and sign this permission form.

Sincerely,

Mr. Bracher

Student
